

To whom it may concern,

I am writing to personally recommend the services of Kyle Rohner. I worked with Kyle recently to sell my delivery routes and he made the process very simple for me. He showed great respect for my confidentiality and there were no disruptions in my day-to-day operations either.

Kyle was able to bring in multiple offers for my routes, which resulted in me selling them for a couple hundred thousand more than I thought possible. His commission was very reasonable as well.

I can't say enough how pleased I am with Kyle's work. I would recommend him to any FedEx contractor looking to sell their routes.

Sincerely,

Brian Carpenter
