

To Whom It May Concern:

Re: Kyle Rohner reference letter

This letter is to signify my appreciation to Kyle Rohner, KR Capital LLC for the outstanding work performed with the sale of my routes. The process was a little intimidating to me because of previous transactions, by involving a broker, I was hoping to eliminate the chaos and worry, and Kyle was certainly the right man for the job.

Kyle was a pleasure to work with, got the routes sold quickly, and the process was easy. He was there for both the buyer and me, to field questions, and ensure that the right connections were made. I would certainly recommend Kyle to anyone who is looking to buy or sell, and I look forward to working with Kyle on future transactions myself.

Thank you for your time and attention,

Daniel Sherry
