To Whom It May Concern:

This letter is my personal recommendation for Kyle Rohner. After evaluating multiple alternative options, I selected Kyle Rohner of KR Capital LLC as my Broker. The process of working with Kyle was exceptional in every way. Kyle is very personable, professional and extremely knowledgeable in FedEx Ground's requirements. He takes his work very seriously and is passionate about providing outstanding service to his clients.

I hired Kyle to locate prospective buyers for the sale of my company, Pro Transportation Services, Inc., which is located in Connecticut. Since Pro Transportation Services, Inc. leases with FedEx Ground, requirements were numerous and the options in the market for our needs at the time were limited. Nevertheless, Kyle Rohner worked tirelessly to ultimately identify the absolute perfect buyer for my company.

In short, the overall value Kyle brought to Pro Transportation, Inc. far exceeded my expectations. My hopes of selling the company within a short period of time were achieved. Kyle was hands-on and took responsibility for every aspect of the process. I found the service that Kyle provided to be unmatched in my experience...he truly exceeded all my expectations.

In addition to Kyle's excellent work, he is a man of integrity. Kyle's excellent negotiation skills, tenacity, sound technical ability and overall passion and effectiveness at his job are enhanced by his personal character and integrity.

I would highly recommend Kyle Rohner to anyone looking for a talented, ethical, professional, committed and effective broker who also has an outstanding attitude and solid reputation. I am truly pleased and impressed with the outstanding person Kyle Rohner is and the excellent job he did!

Sincerely,

Carleen J. Van Blarcom
President
Pro Transportation Services, Inc.
