I would like to express my gratitude to Kyle Rohner at KR Capital. He did a wonderful job in assisting in selling our FedEx ISP. He was a great help in not having my time wasted and only bringing qualified buyers to me. He assisted in helping us get a buyer very quickly. He was always very available to help and answer my questions. He always kept me in the loop at all times of any information I may have needed. It definitely helped in what could have been a more stressful process if I did not have him in my corner. I would highly recommend having Kyle assist in selling your FedEx business to help make a huge decision much more less stressful and his wealth of knowledge would be a great source.
