Kyle,

I wanted to take the time to thank you for a job well done with getting our route listed. I had no idea when I contacted you that you could have the route posted and a buyer lined up the next week. You really made this process quick, simple and easy for me being as it was my first time selling a route with a broker. I look forward to working with you on future deals and thanks again for all your hard work! I feel that my company has received a good business partner in KR Capital but also a trusted advisor & friend.

Thank you,
Steven Wilson
